

How to Find Your Course Evaluations

Step 1: Go into Canvas and enter any course.

Step 2: Choose Course Evaluations from your left menu.

Step 3: Find the term you want to view

Step 4: Choose how you want to view your feedback. It is possible to do batch downloads, but I cannot find the option to do those batches and include the comments to the open-ended questions. I usually download them one by one with the comments.

The screenshot shows the Canvas LMS interface. On the left, a dark sidebar contains navigation icons. A light gray menu is open, showing options: Quizzes, Discussions, Pages, People, Upswing - Tutoring, Settings, and Course Evaluations. The 'Course Evaluations' option is selected. The main content area is divided into three columns. The first column lists the name 'Gottardi, Sara' for each row. The second column is a large black redaction box. The third column lists the course 'English, Speech and Foreign Languages' and the term. A dropdown menu is open for the 'Fall 2016' term, showing options: Detailed Report, Detailed Report + Comments, Raw Data, and Feedback. The 'Detailed Report + Comments' option is highlighted.
